## Sales Information - (Confidential)

All sales figures are kept in strict confidence. In conformity with the policy of the NCA Board of Trustees for determining NCA dues, I declare that the gross sales volume to the confectionery industry for our last fiscal year was \$\_\_\_\_\_.

We have calculated our dues to be \$\_\_\_\_\_ according to the Dues Structure Table.

**OR**

Our enclosed payment of \$\_\_\_\_\_ reflects the pro-rated amount to cover dues. Dues are pro-rated to the quarter in which a company first joins NCA. This is not applicable to current members. NCA's fiscal year is April 1 - March 31. Quarters run from April - June, July - September, October - December, and January - March. Note: Application will not be processed unless payment is made. All calculations are subject to verification by NCA.

## Dues Payment Method - (Confidential)

These dues are not deductible as a charitable contribution. However, a portion of the dues may be deductible by members as an ordinary and necessary business expense for federal tax purposes. The portion not deductible this year as a result of lobbying activities is 10.5%. Therefore, 89.5% of these dues may be eligible for deduction. Please consult your tax advisor.
